

# CAREFREE WATER FAST FACTS

In the upcoming weeks, the Carefree Water Company will distribute information on important topics related to the 530 new accounts to be incorporated into the Company's water system. As a Carefree resident, knowing more about each of these topics will be important to you.

## **The topics to be addressed will include:**

- Where does the water to supply these new accounts come from?
- How will this impact my water rates?
- How will this project be financed?
- What is the anticipated construction timing and how will it be handled?
- Why does it make sense for the Carefree Water Company to begin servicing these new accounts in Carefree?

## **In addition**

- The Carefree Water Company will make available Historical Background Information, including:
  - The water history of the Carefree Service Area
  - Issues related to the acquisition
  - The decision of the Arbitration Panel
