FOR IMMEDIATE RELEASE:

CAREFREE KIWANIS SPLASH PARK OPEN FOR THE 2018 SEASON

CAREFREE, Ariz., (April 5, 2018) – The Town of Carefree announced the opening of the Kiwanis Splash Park, for its third season, on April 1, 2018, open 9 a.m. to 7 p.m. and admission is free.

Located in the Carefree Desert Gardens, the local Carefree Club of Kiwanis donated the funds so that local families and their children could have a place to escape the heat while enjoying the beautiful surrounding views of Carefree. In keeping with the Carefree Desert Garden theme, the park has an artfully designed Scorpion centered within the splash pad named "**KIWANI**", who is an exciting one-of-a-kind feature. When guests least expect it, the scorpion sprays its jets, creating a magical, nature-inspired play environment.

Families are encouraged to make a day of it and visit the boutique shops and restaurants in the Carefree downtown area, then are welcome to cool-off in the Kiwanis Splash Park. In addition to the Splash Park, on the west side of the Garden, families can enjoy a covered playground area featuring another one-of-a-kind Gila monster slide just across from the Carefree "Little Free Library".

The Splash Park will remain open until October 15, 2018. For more information please check the town website, www.VisitCarefree.com.

About the Carefree Kiwanis

The Kiwanis focus is on helping children recognize and develop their potential. They offer post-secondary scholarships, summer art programs, community science fairs and mentoring, special needs support, youth service organizations and more. The vast majority of the funds raised are invested in the children of the community; and programs benefiting the community; a position is also donated to eradicate diseases in third world countries in conjunction with Kiwanis International initiatives and to disaster relief around the world.

Today the Carefree Club has approximately 200 members, ranking the Club of Carefree within the top ten largest Kiwanis clubs in the world. They believe that investing even one fraction of one's time, talents, energies and experiences will make a world of difference tomorrow.
